

I am writing to you reference K-LOVE FM 88.9, 89.9 and 88.5 in the Oklahoma area. They have been serving me as a resident of the OKC metro for the last 2 years. I believe that there would be a great effect on the community if K-LOVE were displaced by LPFM. As the only non-profit christian music channel in the area I know that many are affected by this channel. I think that anything that gets as much private funding donations as K-LOVE can't be a bad thing and that they should be allowed to continue broadcasting unobstructed. Please do not allow K-LOVE to be affected by LPFM's
